The first ever PCO summit sponsored by the Laguna Lake Development Authority (LLDA) was held last July 20, 2009 at the Meralco Management Leadership Development Center Foundation Inc, Antipolo City.

This event was well attended by environmental enthusiasts and Pollution Control Officers from various industrial establishments in the Laguna de Bay area.

A key highlight of the program was the recognition of outstanding PCO's for their invaluable efforts in making their respective companies comply with LLDA's regulations and environmental standards.

This grand event was attended by none other than our General manager, Ms. Jenny Chua, who had the privilege to meet **Former DENR Secretary Bebet Gozum** and **LLDA General Manager Ed Manda** up close and personal.

An exhibit was also held simultaneous with the program that showcase different environmental products and services that support and promote environmental protection and reinforce regulatory compliance.

Incidentally, LLDA will also be celebrating its 40th anniversary on October 2009.
