

### PAMASKONG HANDOG NG JM ECOTECH 2011

JM Ecotech celebrated the Christmas season with the "Pamaskong Handog ng JM Ecotech," a community gift giving program. Held on the December 20, 2011 from 9:30 AM to 11 AM, the company sent the families within the immediate community goods such as rice, umbrellas and caps as part of its Corporate Social Responsibility programs for the year. The representatives of Ecotech greeted every recipient with warm smiles and Christmas greetings as they took turns receiving their Yuletide gifts.

Ecotech, as a company that deals with the transportation, treatment and recycling of hazardous wastes from different industries, is committed to protect the environment and ensure the safety of all workers within the company and all the inhabitants in the surrounding community. And as such, Ecotech conceived the "Pamaskong Handog" activity to be held every Christmas season as a way of giving back to the community for their utmost consideration and unwavering cooperation.
