COMPANY NEWS

The next day was spent doing the city tour to familiarize ourselves with some of the popular places of interest within the city. What a better way to travel going to Sentosa but by Singapore's cable car! At Sentosa, the day was spent visiting the Images of Singapore, The Merlion, Underwater World, and watching the famous dolphin show. The day was ended with a magical show entitled "Songs of the Sea".

Last but definitely, not the least, an entire day was spent at the Universal Studios! This enchanting place brought out the child in each one of us. We got entertained by Shrek® and gang on an incredible 4-D adventure in the world's first Far Far Away Castle. We faced the warrior mummies on Revenge of the Mummy™, a psychological thrill ride in total darkness. Other highlights include my personal favorite Transformers The Ride and Jurassic Park Rapids Adventure®. Finally, we get the ride of the lifetime, the Battlestar Galactica Cyclone and Human ride.
